

Quality Metrics Report for the FY 2020 Appropriations Act

All measures are replicated how it is shown on the CMS website.

- QPS #1-5 is collected by CMS. QPS #6 & 7 is collected by the DHS vendor.
 - The down arrow (↓) indicates in order to meet this measure the data result must be at or below the national average.
 - The up arrow (↑) indicates in order to meet this measure the data result must be at or above the national average.
 - Approved Appeal indicates the facility submitted and received an approved appeal.
 - Granted indicated SCNFs and their respective NFs that are grandfathered for CoreQ participation.
 - NA = Not Applicable indicates CMS reported, “the number of residents is too small to report” for the measure, which resulted in the facility not having an average to report. Does not meet the national benchmark.
 - No Response indicates the NF/vendor did not respond/provide data to the DHS vendor. Does not meet the national benchmark.
 - No Score indicates the NF was not able to meet the minimum amount of resident and families to be surveyed and no appeal was filed. Does not meet the national benchmark. A NF/SCNF must have a minimum of 30 surveyable residents and 30 surveyable family members.
-
- SCNFs and their respective NFs are listed separately.

Quality Metrics Report for the FY 2020 Appropriations Act
